

# Your Name

## Your Desired Title

---

Today's Date

**Dear hiring manager,**

I am excited to apply for the position with the \*\*\* team at \*\*\*. With my background as a trader and **extensive research experience** at both \*\*\* University and \*\*\* **University**, I am eager to contribute to your team and support the credit decisions that impact your commercial loan portfolio.

As a top student in the \*\*\* program at \*\*\* University, where I maintain a GPA of \*\*\*/**4.00**, I have developed a strong understanding of financial principles and analytical techniques. My experience as a **trader** has \*\*\*

During my **research** roles, I engaged in extensive \*\*\* and \*\*\*, allowing me to gain insights into various industry sectors. This experience has equipped me with the ability to assess business financial statements thoroughly and identify opportunities for improving risk profiles. I am confident that my **strong analytical skills** and ability to synthesize complex information will be valuable in the underwriting and adjudication processes at Meridian.

I am particularly drawn to \*\*\*'s commitment to creating opportunities for communities and its focus on collaboration and innovation. I believe my proactive approach, coupled with my ability to build strong working relationships, aligns well with your team's goals.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences can support the objectives of \*\*\*.

*Sincerely,*
